Firearms Law

With our 2nd Amendment rights being attacked at both the Federal and State level, our office is one of only a handful of firms across the US that practices in the niche area of law known as firearms law. We handle all aspects of firearms law from suing local municipalities that interfered with your right to possess a firearm to alternative methods of legally possessing a weapon; from helping you establish and obtain a Federal Firearms License (FFL) to defending you against the ATF; from licensing manufacturers and import/export issues to representing local gun clubs contending with zoning issues and their neighbors. Our firm is here to ensure that our inalienable Right to Keep and Bear Arms is never encroached upon.

Individuals

We are prepared to represent you individually with regard to your 2nd Amendment rights under the Federal and State Constitutions:

- Self-defense shootings,
- Licenses to Carry Firearms Denials,
- Challenges to Erroneous PICS Denials,
- Relief from Firearms Disabilities,
- Estate Planning Advice,
- Gun/NFA Trusts (for individuals who cannot procure a CLEO signature or desire to have multiple people possess), and
- 42 USC 1983. Actions for Deprivation of Civil Rights.

FFLs, Gun Clubs and Ranges

At both the state and federal levels, we represent FFLs, SOTs, Gun Clubs and Ranges throughout Pennsylvania and the US regarding:

- Corporate Structure Advice and FFL Procurement, including specialized corporate Operating Agreements and By-Laws for FFLs, Gun Clubs, and Ranges,
- Importation/Exportation of Firearms and ITAR Compliance,
- Mock Compliance Audits through Retired ATF Inspectors,
- ATF Compliance Inspections,
- Warning Letters and Hearings,
- FFL Revocations,
- Forfeiture Proceedings,
- Indoor/Outdoor Range Implementation and OSHA Compliance Issues,
- Gun Club and Range Defense against Nuisance Suits, and
- Gun Club and Range Waivers and Indemnification Agreements.

We also have on staff a retired ATF Area Supervisor to provide guidance and to conduct mock audits and compliance inspections, which ensures that all findings are protected by privilege. Whether you are an individual, an FFL, or a Gun Club/Range, if you ever have an issue involving a firearm, please do not hesitate to contact me. Together, we can ensure that our 2nd Amendment Rights are here for our grandchildren. You can find more out about us at our Firearms Law website, **www.PaFirearmsLawyer.com**
