Who We Are

We are a law firm dedicated to meeting the needs of working people. Our attorneys are dedicated, aggressive and highly competent lawyers, highly experienced in their respective fields of practice. We provide a wide range of valuable yet affordable legal services. Our firm, founded in 1990, has seven regional offices located in Allentown, Bechtelsville, Lancaster, Lebanon, North Wales, Pottstown and Reading. Each client receives the individualized attention, allowing us to place a priority on personalized service. Our attorneys regularly speak to professional organizations, public groups, and the media. We have also published many articles for legal publications, taught college, business, and paralegal classes, as well as continuing to present legal education to other lawyers. We publish regularly on at our blog: blog.princelaw.com

Cost Effective Law Services

Our hourly rates are competitive. Due to the efficiency of our lawyers and support staff, client costs are kept reasonable. We have a client-centered approach to the practice of law. Our clients understand their options and the relative costs of each option. There are no unpleasant surprises when it comes to our legal fees. Instead, we empower our clients with the information necessary for them to make informed choices. Our law

firm takes pride in remaining at the forefront of today's technological advances. We rely on technology to keep your legal costs down. Often, we are the creative force behind computer-based innovations in law firm management. We invite prospective clients to contact us to schedule a consultation that will leave you with an understanding of the issues and options of your situation. Depending on the issues involved, there is often no charge for the consultation.
